Summer Vacation Activities 2020-'21

GRADE III

Dear Parents,

As Summer break is round the corner, we have planned some fun activities for your child to enhance his/her learning skills. Kindly guide your child to do these fun activities during the summer holidays.

Note: Submit the given homework in a folder by labelling with your child's name, class & section and Admission number. It would be wonderful if the children themselves decorate the folders with their tiny hands & creative minds.

General Instructions:

1. The homework for all the subjects must be compiled in one folder only. Separate the homework of each subject with a plain sheet mentioning the subject on it.
2. Kindly train your child to become independent in his/her daily chores.

Use your creativity and imagination to make your homework look attractive and presentable.

Kindly note: Textual Exercises & Class work notebooks should be completed during the holidays. Notes have been sent after every topic/attached in the slides of the Modules. **The notebooks must be submitted for correction on the re-opening day.
