Summer Vacation Activities 2018-'19

CLASS: GRADE III _____

NAME: _____

ADMN NO: _____

Dear Parents,

As summer break is round the corner, we have planned some fun activities for your child to enhance his/her learning skills. Kindly guide the child to do these fun activities in this summer holidays under your guidance.

Note: Submit the given homework in a folder with name, class and section mentioned. It would be wonderful if the children themselves decorate the folders with their tiny hands.

General Instructions:

1. The homework for all subjects must be compiled in one folder only. Separate the homework of each subject with a plain sheet mentioning the subject on it.
2. Kindly train your child to become independent in his/her daily chores.

Use your creativity and imagination to make your homework look attractive and presentable.

ENGLISH:

I. Read as many children's stories as you can. You can read an e book or a real one.

- a) Design a cover page with the title of the book and the author's name.
- b) Summary: In 100 words tell us what the story is about.
- c) Prepare a Pictionary.(Picture Dictionary)

Write down 10 new words that you come across in each book that you read . Look up a dictionary and write their meanings. Draw an illustration or stick pictures where ever possible.

II. Imagine that you are the owner of a travel agency and prepare a brochure. The brochure should have the pictures of any 7 places with their locations.

III. Here's a chance to win a cash award for the winner of the ' Handwriting Contest' in the first week of September. Now you know what you have to do. Prepare yourself! Remember your handwriting is the index to your personality.

V. Prepare for Spelling Bee Competition in the first week of September

SST

TOPIC: TRANSPORT AND COMMUNICATION

SKILL: Analysis of the benefits and problems of any one mode of transport

Prepare a model of any one means of transport and list the advantages and disadvantages of using that mode of transport.

SCIENCE:

1. Collect different types of leaves. Observe the shapes and sizes. Dry them in folds of old newspapers and paste in your scrapbook. Name them.
2. Collect seeds of different colours – they could be different coloured dals, rice, grams, etc... On a piece of thick cardboard make a design of your choice by pasting the seeds.
3. Birdwatch – Wake up early in the morning, go outdoors and observe the birds. You could go to a park or a garden near your home with an adult. Observe the different types of birds, their size, shape, colour, kind of sound they make, if it hops or walks etc. Try to find out the names of as many birds as you can and collect feathers. Prepare an album with your observations and stick the pictures of them.
4. Buy seeds of any vegetable and flowers of your choice (at least two). Soak them in water for 5 to 6 hours. Dig the earth and sow it. Keep it under less sun. Water them every day. Record each day's observation and note it down very sincerely. Express (in your own words) your feeling as the plant grows. [Activity with photographs of the growing plant will be appreciated.]

HINDI:

1. Prepare a Picture Dictionary with the words learnt so far.
